## **Brief Description of Training Programs -**

To promote participation of women in Vocational Skill Training, DGT has launched Women's Vocational Training program i.e. Craftsmen Training Scheme (CTS) which is operational since inception in 1977, under which National Skill Training Institute (Women) were established to generate Women Employment in the industry as Semi Skilled / Skilled & Highly Skilled Workforce

### **Brief Description or opportunities in offered Training Programs --**

#### **1. Architectural Draughtsmanship:**

Architectural draftsmen create technical drawings from the designs of architects and engineers.

Construction sector is one which involves planning and execution of designed buildings. Architectural/Construction firms well established by Architects are very much present in Telangana State. Departmental agencies like PWD, Housing Board, Development Authorities, Town Planning Departments where Architectural Draughtsman can find different opportunities and has to be encouraged are also present.

#### **2. IOT Smart Agriculture:**

The student after this one year training program should perform, operate and identifies different IOT enabled system/application in agricultural field such as Precision Farming, Livestock Monitoring, Agricultural Drones etc. for farmers to maximize yields using minimal resources such as water, fertilizer and seeds. Selects various types of sensors as per requirement for Smart Agriculture.

#### **3. Soil Testing and Crop Technician :**

Students are fit for Job roles as Laboratory Assistant - Soil, Cultivating – Crop, Vegetables

#### **4. Secretarial Practice (English) :**

In corporate world every organization has a lot of jobs like office management, Human Resource, Customer Support there the trainees got engaged.

#### **5. Data Entry Operator :**

They got job opportunities in office, accounts, data processing centers. Due to computerization in all aspects of life, a large volume of data are to input and process in time constant, trainees have a large opportunity in this field.

**Output :** Students become eligible for different Job Roles in concerned industry. They may go further for CITS level courses that is essential for ITI instructor qualification.
